

PARENT INFORMATION FORM

STUDENT'S NAME _____

As parents or guardians, you have had the unique opportunity to watch your children grow and develop over their lifetimes. You obviously have knowledge and insights about them that no one else can have. Please use this form as a place to provide any information which you think might be helpful to us or to college admissions officers in considering your child as a candidate for college admissions.

Providing parent information is entirely optional. The specific format of our form is not intended to limit you. If you would prefer to provide information in a letter rather than in this format, feel free to write a letter and attach it to this form. If you choose to use this form, do not feel compelled to respond to every item. Also, you may duplicate this form so that both parents will have a form with which to provide information.

This form provides useful information for the College Counselor. The form itself is NOT sent to colleges. If you would like to discuss this form or any aspect of the college admissions process, please call the College Counseling office at 845-677-6933.
